

Benching - Conformation & Obedience

****New!** **Reserved Obedience Benching** now available! When booking, please choose Obedience benching, not Conformation. Paid/reserved Obedience benching will be ringside.

There will be NO unpaid Obedience day benching at ringside whatsoever!

You may ONLY Obedience bench ringside if you have paid/reserved benching. There will be no Conformation benching at ringside, only in designated grooming area.

We have a limited number of spaces available for reserved benching. Once sold out, no further reservations will be taken. There will be some unreserved space available on a first come, first served basis in the main grooming/Conformation benching area. Please reserve only the number of spaces you feel appropriate for your needs, and get your reservations in early to avoid disappointment.

****If you wish to have power, you MUST reserve bench.****

You cannot book power without reserve benching - we need to have a spot to drop it in. **There will be unreserved benching available, but power will not be available unless pre-ordered.** Any Exhibitor found plugging into unauthorized/unpaid for electrical outlets will risk being excused from the Show.

If you wish to bench next to someone, please contact Karen LeJeune by e-mail within one week after closing of entries with a list of all names.

Absolutely no changes will be made once space is reserved, or at the Show!

If you have NOT reserved, you must find an un-reserved space. If you put your items in a space reserved by someone else, you will be told by the Show Superintendant to remove your items immediately, or they will be removed for you.

Please contact Karen LeJeune for further information or with questions: torkelledobes@gmail.com or (403) 340-2741. Professional Handlers- please make Karen aware that you are attending, and how many spots you have booked and paid for.

ALL benching/power reservations MUST be booked & paid for (prior to closing) through the Show Secretary.
