Appointments:

Please indicate your top three choices of dates and time of day for the exam to take place. **We will do our best to schedule your appointment as one of your top two choices and every effort will be made to schedule your appointment around breed judging for your breed but we cannot guarantee it.** It is recommended to have an assistant available to take your dog to the scheduled appointment if you are unable to do go yourself due to any unexpected conflicts. Keep in mind that the assistant you choose will be privy to confidential information during your dog's exam.

ACVIM Registry of Cardiac Health & Orthopedic Foundation for Animals Registries:

You will be given the choice to register your cardiac results with ARCH or OFA. ARCH is a new registry that is restricted to heart testing results submitted electronically (or by form if internet is not available at clinic) by a board certified cardiologist only. The OFA Cardiac Registry is open to heart testing results submitted on a specific form by a licensed veterinarian. You can get more info on ARCH at <http://www.archcertify.org/> and you can get more info on OFA at <http://www.offa.org/>
